PITSTOP CHALLENGE

ANIMOTION®

In the Pitstop Challenge, you must change one or both front tires of an F1 car as quickly as possible.

The time is measured to a hundredth of a second.

Different versions of the game are possible:

- with a team of 2 or 4 players: replace the 2 front tires as fast as possible

- with two teams simultaneously: remove a front tire from the wheel as fast as possible, remove the tire and replace it again
