

CYBERKART STADIUM STANDARD

ANIMOTION®

In the Cyberkart Stadium you race with up to 4 players against each other in, for example, a fun race of Mario Kart or Hot Wheels. All 4 players share the same big flatscreen.

To play the game they use a wireless steering wheel.

The players sit in a mini-kart. Their seats slide out so they are suitable for both children and adults.

There exists also a deluxe version of this attraction: the Cyberkart stadium DLX.
