

CATCH THE LIGHT

ANIMATION®

Catch the Light is a new speed and reflex game. The game is extraordinary and highly competitive game that tests players' hand coordination and reaction in time. **Catch the Light** is fast paced game where players must quickly press the lit buttons to outsmart the opponent. The players can play the game head-to-head against each other or individually to be the fastest player to race against the clock.

Catch the Light is a colorful game with multicolored LED sure to be the hit at any event, party or trade show. Watch in amazement as the guests challenge themselves to catch the fast moving flashing lights and show off their reflexes.

The game is recommended for both adults and children.
