

INTERACTIVE WALL

ANIMATION®

The Interactive Wall is a fun and immersive activity where participants interact with a touch-sensitive wall made up of 2 x 16 light-up tiles. Participants compete against each other in a variety of games and challenges (more than 40). It is designed to be accessible to all ages and is suitable for both private and corporate events.

The Interactive Wall offers several modes:

- Speed games: Press the light targets as quickly as possible
- Memory games: Remember and reproduce sequences
- Sports games: Sports equipment is used - Team challenges: Cooperation and competition

The Interactive Wall is:

- Fun and immersive: An activity that stimulates reflexes and team spirit -
- Accessible to all: Suitable for children and adults alike
- Customizable: Game modes can be adjusted according to the event
- Easy to install: Requires little space and can be integrated into any type of venue.
